Our Team

Dear covenant churches, Donor and Friends.

Many of you have heard about giving Tuesday and have actually participated in it in the past. This year, giving Tuesday will be on November 28. While matching funds will not be available this time, we trust that you and your local church will continue your commitment to the mission of the Christ in Cambodia. The Advance continues to allocate 100% of all giving to the designated project, program, ministry and/or missionary.

UMC #GivingTuesday 2017 information and resources are coming soon!
Please check this site often.

This year's UMC #GivingTuesday theme is "Connect Your Passion with God's Mission." You are living out those words every day. Now is the time to encourage others to do the same on this special day of giving. You are a witness that gifts given through the Church's designated giving channel, The Advance, makes a difference.

As one of the projects supported through The Advance, you provide United Methodists and others with a way to build missional relationships through a channel they can trust. They know that 100 percent of every Advance gift goes to the designated ministry.

Please find attached the Advance project toolkit that aims to support you in promoting your work in the lead up to November 28th. Visit www.umcgivingtuesday.org for more resources.

We look forward to seeing the ways you promote UMC #GivingTuesday 2017!
