November 30, 2021

SWH Students Are Finishing Up Their School Year!

In Cambodia, school year usually ends in October, and a new school year starts in November. However, this has been a problem in Cambodia as schools have been closed, and high school seniors have not been able to take their government test to graduate from high school. In fact, this year, the test has been postponed since September due to COVID-19 and is finally rescheduled to take place on December 27, 2021. This causes problems for universities because they cannot have new students until all the high school seniors complete and pass their graduation exam.

So, the Cambodia government has made a decision to start their new school year in January instead of November. Because of this, the universities are prolonging their end of the semester, and our students are now getting ready for their semester exams. This is very unusual for them because by this time of the year, they should have started a new semester and taking new classes. Hopefully, this means more time for them to study to take and pass the semester exams. This is a stressful time for our students. Please pray for them so that they will remember all that they have learned and do well on the finals!

New Students for SWH Will Arrive in January!

With the school year starting in January, SWH will finally get to meet our new students in January! We will interview new candidates as soon as the graduation test results are announced, and the seniors are allowed to enroll in universities. We are excited to welcome new students from Kampong Thom province as well as other provinces. Please be in prayer for the high school seniors who hope to move to Phnom Pehn to attend universities!

Students Giving Back to Community in Thanksgiving!

Students regularly pick up trash around their neighborhood in love of Christ. We pray that their example will help others to not throw their trash on the streets but learn to love and protect the Mother Earth!

Welcome Rachel Therieh (GMF)

The Global Ministries has an awesome program called GMF (Global Mission Fellow) where young men and women from all over the world can apply to be sent as short-term missionaries to all parts of the world. We welcome Rachel Therieh from India who came to support Susanna Wesley House ministries. We look forward to her services as she builds relationship with the students and support them not only as a spiritual mentor but also as a friend. Please pray for Rachel's quick adjustment to Cambodia and her unique culture!

How to Support: **An annual tuition for most of the universities in Phnom Penh is about $500.**
