Dear Partner in Mission,

It had been more than 2 years now that the Om family are serving in Cambodia. Sam has a lot of responsibilities, while Syvany is working hard for one of the important roles of a housewife to make sure the family is well fed and protected. Caroline is in grade 7<sup>th</sup> at Logos International School and she is doing well.

With God's blessing, Sam is able to fulfill some responsibilities which are very much needed: teaching at Cambodian Methodist Bible School (CMBS), Chair of the MCC Finance and Director of Christian Education. As one of the School faculties, Sam is very excited to see many young people enrolled as first year students. In addition to teaching at the CMBS, Sam also has to travel to different provinces to teach "History of the Methodist church" as well as

Discipleship/Christian Character and Leadership. It is good to note that Methodist work in Cambodia is fairly new comparing to any other denominations, so the knowledge of the Methodism is very much needs to be taught and appreciated. Syvany, in addition to her work as housewife, had appealed to many of her friends in Charlotte, NC requesting fund to purchase school supplies given to children in one of the poor neighborhoods. The school is running within one of the Methodist Churches (Chres Methodist Church). Caroline had enjoyed participation in distribution those supplies: backpack, crayon, note books, bottle for clean water... All of the children were so excited to receive those gifts and they were sending thanks to all of you. (Many of the students were missed from the photo)

Thank for Rev. Judy Chung came from Atlanta, US to encourage us.

At Siem Reap Province==>

<== At Pailin Province

Youth at Kompong Speu Province

<==Youth at Sihanoukville

This year many heavy rains. Sam was preaching

in one of the churches filled with water ==>

<== Kompong Thom province with Rev.

Amelia Stinson at Susanna Wesley Women's dorm (78 young female students attended)

Thank for all of your supports.
