Happy Easter!

Dear Friends.

It is Easter 2018. I thank God, we can celebrate Easter with joyful thanksgiving. Praise God, Alleluia.

After Jesus was resurrected, Jesus asked Peter, "Simon, son of John, Do you love me more than these?" He said to Him, "Yes, Lord, you know that I love you." He said to him, "Feed my lambs." A second time, he asked again... The third time he asked again, and Peter was grieved because Jesus asked him the third time. "Lord, you know everything, you know that I love you." Jesus said to him, "Feed my sheep."

As we remember and celebrate Easter, the words of Jesus keeps on reverberating asking us, "Do you love me?" And we answer, "Yes Lord, "We love you." His summon comes to us, "Feed my sheep."

Thank you once again. Because of your prayers and financial support, our ministry here in Cambodia to **feed/ to serve the least of these our brethren** is being accomplished. This is our way of showing our love to our risen Lord. Jesus is asking us to **"Feed His Sheep."**

All over the world, people are suffering. This is true in Cambodia. I am thankful to our God for this opportunity to work with and for them. I pray with them, I work with them and I suffer with them. But I am so blessed that I can't help but tell you how grateful I am for your lives who are lovingly sending your love through your gifts.

My whole being cries with joy for them. It gladdens me to see their happy faces when they are blessed with your gifts. Truly they say, "Our prayers are answered."

You are the answer to our prayers here in Cambodia. We are blessed through you. Your abundant blessing help our children and their families transform and become better persons, better members of their families and better citizens of the community. The children we are helping have become assets to their family and community. Our mission to share the love of God is concretized through this ministry.

Thank you so much.

As usual, I am attaching a picture, drawn by our children as a way of expressing their love and gratitude to all of you. **Happy Easter 2018! God bless you all.**

Very truly yours,
