

## Lee Family in Cambodia

It is hard for us to believe that 2020 has almost met its end.

Thank you for thinking of us and praying for our safety this year! Your support has given us so much peace, hope, love, and joy. Our mission work here in Cambodia is only possible because of you and the entire United Methodist Connection that supports us.

Despite the challenges we faced this year, Serena (11) and Reina (9) have adapted well to the changes in school, unexpectedly long visit to Hawaii (April-Aug), and a long trip back home to Cambodia (53 hours). We are forever grateful to their tenacity and flexibility. Janice continues with her dorm ministry while teaching at Logos International School. In fact, she looks forward to starting two more ministries in the year 2021: vocational ministry for young women in Cambodia (who are middle/high school dropouts) and developing Sunday School curriculum for the children of MCC (Methodist Church in Cambodia). Andrew stayed back in Cambodia when the pandemic hit in March to start a relief project for the poor who suddenly found themselves with no job and no money to support their family. When floods hit the

country in the midst of the pandemic this fall, Andrew and his team were present with the local people to shine the light of God to them while providing relief for the heavily hit regions.

But we must say that we are looking forward to the coming of the new year as is true for the rest of the world. May the new year bring you God's abundant blessings, and God permitting, we hope to see you in person in the Kingdom of Cambodia.

Merry Christmas and Happy New Year 2021.
