

## It's a New Year & SWH Welcomes New Students!

*The high school 12th grade test results are finally declared and students can now register for universities. We are so excited to welcome three new students joining Susanna Wesley House in Phnom Penh and look forward to see them grow with us while we also learn from them. Here they are!*

**LIM LAIHEANG** (18 years) is from Kampong Thom province. She will major in Animal Science as she loves animal and does well in the subject. She dreams of having her own farm in the future. She requests prayer for her mother who is unwell.

**IN SEAV ER** (17 years) is from Kampong Thom province. She will be majoring in Geography which is her favorite subject. She aspires to be a geography teacher for high school in the future. She requests to pray for wisdom to study in college.

**KANHA KOUN** (18 years) is from Kampong Thom province. She will be majoring in Khmer Linguistic. She aspires to be a Khmer teacher, and she also loves to write. She request prayer for her next journey to go to university to build good relationship with new friends and that God gives her courage to live in the city.

The students had a very interactive session on **“Relationship and Biblical Understanding of Sex”** which is a rarely discussed topic for the young people here. This session was very helpful for the youth to understand the meaning of relationship and true love prior to marriage. We are glad the 6 graduates were present to learn this lesson!

### Prayer Partners Wanted!

We are still looking for prayer partners to pray for our students daily! If you or your prayer group is interested in the prayer ministry for SWH students, contact us, and we will partner you with our students. We only ask that you pray for the partnered student daily, no other responsibilities or obligations! Some churches have been partnering with us in this prayer ministry, and it has been an encouraging experience for everyone involved!
