

Sowing the Seeds of Servant Leadership!

The students of SWH continues to grow in love and service for the Lord. We are encouraged by the humility and the heart of the SWH students in their understanding of mission and service. After a busy week of school and work, we are encouraged to see our students making themselves available to serve in the church every Sunday, taking very active roles offering their gifts, talents and time. The students also volunteer at the Sunday School after the Church Service and work to share the love of God to the children who are so eager to sing, dance, do various fun activities and learn about the bible.

We now have music classes every Wednesday with our music teacher Agustinus Hutabarat. He started with teaching how to read music and the students will soon get to learn the keyboard and the guitar over the coming months. The students are very excited to learn the instruments and with their hardworking personality, we believe they will very soon pick up the instruments. We look forward to having good musical worship even during our devotions at the dorm and also watch them perform at Church!
