KUOLOU'S MISSION UPDATE

A Mission experience in CAMBODIA the 'Kingdom of Wonder'

BEGINNING A JOURNEY OF THANKSGIVING AND GROWTH

“being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ.”

Philippians 1:6

How time flies! It's already been 5 months since I first stepped into this amazing country. I can now introduce myself in Khmer and I have found myself a community here. If I could use one word to express my experience as a GMF so far, it would be "GROWTH". I am so happy to say that I have experienced so much growth mentally and spiritually in my life over the past few months.

It is such a blessing to serve a living God who can comfort and help me overcome my deepest fears and help my restless heart find peace even in my low or high allowing me to channel out that same peace I received to the people I encounter through His greater purpose.

SUSANNA WESLEY HOUSE

A house of LOVE!

I vividly remember being worried if I don't manage to remember everyone's name! But today everyone at the dorm is a friend, a sister, and people who take the biggest role in so many important moments of my life here in Cambodia. The students understand love and they show care in the purest form.

February was a hard month for us with many students testing positive for C-19. That hard month made us bond more and build better relationships as we learned to show care for one another and also learn to appreciate the love we received.

We also had new students join the dorm and bid farewell to our graduates. As we keep moving forward in life we are growing together learning to accept one another for who we are.

SHINE PROJECT

I met some very strong and amazing women through this project! In a few months from them starting their first day at their respective schools to them getting a job or starting their business. I love listening to their enthusiasm though I must admit I don't understand most of it.

FINDING A HOME CHURCH

I am thankful for Prek Toal Methodist Church which is now my home church in Phnom Penh. To receive the love, support and care from a community who accepts me although I don't speak the same language is indeed such a blessing. I am also thankful for ICA (International Christian Assembly and their warm fellowship.

I am so grateful for all of your prayer support and your constant encouragement. I will need your continuous support as I work with this wonderful group of people here in Cambodia. Thank You!
