KUOLOU'S MISSION UPDATE

A Mission experience in CAMBODIA the 'Kingdom of Wonder'

"Love is patient and kind..." as we sing these lines every evening practicing to sing this Christmas as the Susanna Wesley House Choir, I was reminded how beautiful it is to be part of a community where we can live out the 'love' as described in the Bible. I continually Praise God for the community I found here in Cambodia through the year 2022!

There has not been a single idle quarter in Cambodia and each quarter tops the previous. Here are some snippets of my quarter:

GMF: I had the privilege to finally met all my cohort in person as we gathered for our midterms in Nairobi, Kenya. It was a packed week of learning, connecting, singing, dancing and thanksgiving! Since midterms, our cohort has grown closer and hence our support for the mission grew. We also have new exciting projects to collaborate and work to achieve as GMF 2021-2023.

SWH: We began this quarter with a housewarming party. We also celebrated Thanksgiving at the dorm and at church. This year we are so happy to have 7 of our students graduate and although due to our second COVID outbreak, we had to cancel the Graduation and Christmas party we still exchanged gifts and prayed together. We are also ready with our SWH choir conducted by Agustinus to end the year with a wonderful memory and excitement for 2023.

GBGM Cambodia: The GMF and GM Commissioning for this year were held in Cambodia and we had the privilege to be part of the opening and also perform as the GBGM choir. We also had the honor of welcoming Roland Fernandes, General Secretary of GBGM and UMCOR. It was truly wonderful hosting our guests. We ended this December with an enjoyable and meaningful Christmas party as we all prepared to close the year and start 2023 with renewed dedication and gratitude to our Lord Jesus Christ.

LAST QUARTER FOR 2022 CAMBODIA IN PICTURES!

2022 ended all too suddenly and I am filled with gratitude. As we celebrated Christmas and the end of the year 2022 (my first year to be entirely away from home) the community I found here through Christ left no space for loneliness but love, joy, celebration, and fellowships. As we begin to countdown the 5 remaining months as a GMF I request your continuous love, prayer, and support. I praise God and would like to express my sincere gratitude to you all for being an important part of my mission and my life, as I continue to engage, connect and grow. May the good Lord continue to bless you. - In prayers, Rachel.
