Cambodia Mission

This month story of mission

I went to Kenya and officially participated in the commissioning ceremony as a young missionary of GBGM along with 38 GMF colleagues. When the Lord asked,

'Whom shall I send, and who will go for us?'

I responded, 'Here am I! Send me!'

In Kenya, I learned many valuable things, and I returned to Cambodia to serve the poor children in spirit and body with the knowledge and experiences I gained. Last week, I had a special opportunity as my university junior, Pastor Kang Hyun-jong, visited the place where I am serving, allowing me to introduce the mission work in Cambodia.

Prayer Request

1

I have officially returned after being commissioned as a young missionary in Kenya. Please pray for me to live as a representative of Christ and the United Methodist Church in Cambodia.

2

We are starting a new language class in Cambodia. Please pray for wisdom as we study the unfamiliar and challenging Khmer language, so that we can learn it well and use it effectively for our mission.

3

From 1/30 to 2/2, we will embark on a ministry trip with the CHAD team to Battambang, Banteay Meanchey, and Siem Reap. Please pray for safe travels and effective ministry during this journey.

4

My future remains uncertain, but it is clear that God has led me to this place. Please pray that I can continue this missionary journey with trust in God.
