Welcoming New Students to SWH!

Happy New Year!

This month we are excited to welcome four new students to Susanna Wesley House! They are from various provinces including Kampong Thom, Kampong Chhnang, and Siem Reap. They will be studying various majors in different universities in Phnom Penh. They will start their classes in February. We ask for your prayer as these new students experience major changes as they learn to live, adjust, and adapt to a new life in the city for the first time. May they grow to be channels of blessing to everyone in their lives!

Thank you for visiting us!

We are so grateful for Rev. Samuel Om who always remembers and visits us when he comes to Cambodia. With words of encouragement for our students to know that we are special in God's eyes and that God always has special plans for all of us as well. So what we should do is to tell others that everyone is special and to make sure that we live by following God's plan.

Shine Project - Vocational Training Program

We would like to introduce our first participant for Shine Project. Her name is Seang Chanlen. She is 25 years old and she wants to learn the skill to become a barista. She is the oldest child in her family and since her father retired, her family has a small income, so her mother started to sell some snacks in front of their house. After she finishes her training, she wants to find a job that is related to barista and get more experience. And in the future, she wants to open her own coffee shop. She said “Life is hard, but when I tell myself that I can get over this.” We pray that Shine Project is a great start to her brighter future!

Children's Ministry

As we work toward creating more online materials for children, we started to wonder how we could also reach out to the youths of Cambodia with godly messages. Instead of preaching to them, we thought we should make media that are useful with a teaching point. So, we are in the works of creating “1 Minute English” YouTube shorts where we use Cambodia proverbs, famous Christian quotes, and quotes from MCC pastors to teach English. Because this is still in the works, there may be some trial and errors, but please pray for us so that we can share some good values to the youths of Cambodia through these online materials.
