Attending a Training! *(Reflections of Phailin Seng and Vuochchhy Phai)*

Two of us are so grateful for the opportunity to attend the Asian Young Women's Leadership Training (hosted by Wesley Zaidan Foundation) with other young women from 12 different countries. The theme this year was "Where is Hope?" It was a great chance for us to learn

from one another and share our culture and

experience with others as well. After attending the training, we learned that we can find hope in Christ as well as ourselves. What we should do is to be grateful for how God has created us and what he has given us, and we can use all those gifts to glorify God's name and let hope flow out of our lives.

We Have Fun with Our Friends! *(Written by Reasey Long)*

After the training, SWH had another great time with our new friends from Japan who came to visit us at Prek Toal Methodist Church and at SWH. We had so much fun with them as by eating a meal together, playing

games, sharing our testimonies, and making Japanese origami. We

are always grateful to all the people who come to visit us. Blessings to all young women who participated in Asia Young Woman Leadership Development Training in Phnom Penh, Cambodia!

Shine Project - Vocational Training Program

We are really happy to visit and see our participants really work and study hard to achieve their dreams. They are really careful with what they do and are expected to have a good result. Sometimes they follow the book, but if the taste does not come out as what they want they talk and find the better taste. We really appreciate the effort that they are giving. We really hope our program will help them to find a good future life. *(Written by Youlika Vann, Shine Project Coordinator)*

New Webpage in the Making!

One of the most important factors in creating materials for children is to make it easy to access as well as to comprehend for the users, aside from making it entertaining. Currently, the webpage for MCC is www.methodistmcc.org and children's ministry page is one of the tabs. Many Sunday school teachers are having a hard time locating the webpage because of the difficult spelling. We tried to pass out QR codes to make it easier to access, but it has come to a point where we feel a new webpage just for children's ministry in Cambodia will be more helpful. Pray for us as we take on this endeavor in the hopes of serving more children in Cambodia! *(Written by Janice Lee)*
