# Connect in Cambodia

# This month story of mission

**This month, I traveled with the CHAD team to inspect wells and explored the iconic Angkor Wat, witnessing Cambodia's rich heritage.**

**Six months into my journey here, the children I meet continue to inspire me with their responsiveness to the Gospel.**

**In February, I had remarkable encounters with fellow GMF graduate Venus, Rev. Donghwa Tae at General Secretary GBM with KMC with Dr. Rev Byungbae Hwang.**

## Prayer Request

1

GMF aims to participate, connect, and grow. Please pray that this month, I can continue to study, learn, and serve the local community in Cambodia with an open heart.

2

It has been six months since I arrived in Cambodia. Please pray that I may love and understand in the name of the Lord more deeply, so that Jesus can be revealed and conveyed through me to the Cambodian people I encounter.

3

In March, the VIM team and guests will visit our mission site. Please pray for smooth cooperation and for them to travel safely under God's protection.

4

I long to draw closer to God in this place. Please pray that I may walk more closely with God, enjoying His grace every day, and cultivating a deeper relationship as I live out my mission as a missionary.
