Sacred moments in this month

Just as my Sunday School teacher prayed and blessed for me when I was a child, I now pray for my students.

We look forward to meeting you in Seoul!

Thank you,

Seoul 2024 Registration Manager

I hadn't planned to return to Korea during my two years of service in Cambodia. However, I have been selected as an on-site participant for the 4th Lausanne Congress, which I was originally going to attend online. With approval from GBGM, I will be traveling to Korea from September 20th to October 4th. As someone involved in global missions, I now have the opportunity to participate in this conference in Korea. Please pray that I can fully embrace this opportunity as a gift and for the necessary finances and scheduling for this journey to Korea.

This month' prayer request

1

The road leading to the school entrance has been under construction for over a month. As a result, the younger children are unable to attend school. Moreover, the parents do not show much interest in their children's education, often taking them to work instead of sending them to school. Please pray that the parents' attitudes will change so that their children can receive basic education.

2

The Methodist Church in Cambodia(MCC) will hold its Annual Conference on September 11-12. Please pray that MCC can become a self-sufficient denomination that can send out missionaries with strength, and that God's wisdom and knowledge will be upon the MCC leaders during the conference.

3

The political situation in the countries surrounding Cambodia, in the Mekong River Basin (Bangladesh, Myanmar, Cambodia, Vietnam, and Myanmar), is unstable. Please pray for God's peace to prevail, so that this region may become a place where Jesus reigns as King.
