Celebrating the new chapter of Dit Ne *(Written by Nya - GMF)*

We are excited to celebrate and congratulate Dit Ne, one of our alumni, who got married this month. We are happy for her and her family, and we take pride in her achievements as a former student of Susanna Wesley House. This pride is a cherished part of being in the Susanna Wesley family. Even though our alumni may graduate and move on, we continue to stay in touch and support one another. We will keep praying for their journey

and as they begin their new families, may God bless them and meet all their needs.

Growing in leadership *(Written by Nya - GMF)*

We are proud of Youlika, one of our alumni and the coordinator of the Shine Project. Last month, she attended the AYWLD 2025 conference in Malaysia, where she represented Cambodia with confidence. We've seen her growth, especially in leadership. Youlika shared, "As a young woman, I've faced many challenges, but I've learned to be a leader. God created us with a purpose, and no one can replace our role." Her journey inspires us at SWM as we participate in God's mission.

Fellowship is Strengthening Our FriendShip.

As we celebrate International Women's Day, we held a session focused on the importance of not comparing ourselves to others. We also enjoyed a pizza party at the end. We give thanks to God for creating us exactly as we are and for loving us equally.

Shine Project - Vocational Training Program

While the young women engage in acquiring essential skills, we also make time to come together and discuss important topics such as money management. During these meetings, we share our personal experiences, support one another, and find comfort in our shared

challenges. It's crucial that as they learn the skills

necessary for income generation, they also understand the importance of saving and managing their finances wisely. Our initiative goes beyond simply providing vocational training, we are fostering a sisterhood that encourages friendship and mutual support. *(Written by Youlika)*

Thank You for Support

We sincerely appreciate your unwavering support this month. We have successfully delivered a TV set to Hosanna Methodist Church in Siem Reap province. The pastor, Sunday school teachers, and all of the kids are thrilled, and they are fully enjoying their TV-watching time. The total investment for the 55-inch TV and stand was \$450.

How to Support: An annual tuition for most of the universities in Phnom Penh is about \$600.
