## Growing in Confidence and Leadership

We are grateful for the opportunity to send two of our SWH students, Sreyleak and Sreylin, to attend the AYWLD-2026 training in the Philippines

AYWLD (Asian Young Women's Leadership Development) It's a program that empowers young women across Asia to grow in leadership, confidence, and connection with God and others.

Srey Leak shared her experience with us. She said, "I learned how to be strong, confident, and independent as a young woman." She realized that women and men are equal, and that women can also be leaders. In Cambodia, people often say women cannot go far, but now I believe I can be a leader. She shared, "God is the one who gives us strength and power." Hearing the experiences of women from other countries also helped her to see that the challenges women face are not only in Cambodia.

## Living Out Love

On Valentine's Day, our Susanna Wesley students expressed love through a simple but meaningful activity. We baked Valentine's cookies and shared them with the church as a small gift of care and appreciation.

This was a reminder for all of us that love is not only about words, feelings, or a special celebration. It is more than a festival or tradition. True love is shown through action. Because God loves us first, we are called to love one another in practical ways. As it says in 1 John 3:18, "Let us not love with words or speech but with actions and in truth."

# SHINE PROJECT

In this month we would like to introduce you to our new participant.

Rohymas is 30 years old. She is divorced and went through a very difficult time when she was three months pregnant. Now her son is 6 years old and he is the center of her life. He is her strength and her biggest motivation.

She learned how to bake cakes from her sister, and it became her passion. Now she wants to study in a real school to gain more knowledge and improve her skills. Her dream is to open her own baking business and build a better future for her son.

Rohymas is a strong mother who never gives up. Everything she does is for her son's bright future.

## CHILDREN'S MINISTRY

In this new year, we are excited to work on developing our [website](#) with new and meaningful content. We are preparing guitar chord PDFs to help people easily learn and play worship songs. These resources will make it simple for beginners and church members to practice anytime and anywhere. We are also creating animated songs and Bible stories for children. Through colorful animation and music, kids can enjoy learning about God in a fun and engaging way. These materials will help children understand Bible lessons better and grow spiritually from a young age.
