

Dear Friends in Christ,

As we wrap the first quarter of 2026, I am filled with gratitude for the continuous support we've been receiving from all of you. Your prayers and financial help especially during the Christmas and end of the year alternative giving, sustained us and made a deep impact in our programs.

I was with my family for Christmas and New year and enjoyed spending time with my children and taking care of my grandchildren. My three grandchildren are in school now. My daughter, Jielen, is doing better and visits her oncologist once in a while for her routine check-ups.

Back to Cambodia, refreshed and ready to start the New Year with new ideas for the team..

I thank God, for the blessings of family, colleagues and friends. Knowing you are all there behind me...as I continue serving our brothers and sisters in this part of the world and connecting to all of you....

God be with us all as we traverse together in this life of uncertainties....

Program involvement

- Mondulkiri Project: -Early this year the office staff and program coordinators, visited our Mondulkiri villa and plant more trees. We also visited the church and had a Sunday Worship lead by members themselves.
- CHAD- We received an appreciation certificate from our partner Kratie Provincial Health District.
- Round Table meetings with the 5 agencies(Korean MC, Connexio, Singapore, Malaysia) and Methodist Church in Cambodia (MCC)
- Meeting with President of MCC at Wesley MC
- Street Children Ministry -Sending off our CSCFO coordinator for a one-year study and training to Asian Rural Institute in Japan. And celebrating Easter with the children with the help of our GMF Cassey.

Not only so, but we also glory in our sufferings, because we know suffering produces perseverance, perseverance, character and character hope. - Romans 5:3-4
