Children's Ministry

Celebrating a New Graduate

We are excited to celebrate a wonderful milestone for one of our students, Mao Seyha, who has successfully graduated with a degree in Accounting. Even more encouraging, she has already begun working in a position related to her field of study.

Seyha's achievement reflects years of dedication, perseverance, and God's faithfulness. As a Susanna Wesley Dormitory family, we are also incredibly proud to see another student complete her studies and take the next step toward a bright future. Her story is an encouragement to our younger students that, with determination and God's guidance, their dreams can become reality.

Nearing the Finish Line

While we celebrate Seyha's success, we also ask you to keep Sreleak, Vicheka, and Vannat in your prayers. They are currently writing and preparing to defend their university theses, the final step before graduation.

This season is both exciting and challenging. Research, revisions, and preparation for their thesis defenses require patience, focus, and perseverance. Although the process has not been easy, they continue to work diligently toward their goal. We are proud of their commitment and look forward to celebrating their graduation in the coming months.

Payer request

- Wisdom for our dormitory students as they study, make wise decisions, and grow in faith.
- Good health for our students and staff as the changing weather has brought seasonal illnesses. Pray for God's protection, healing, and strength.

SHINE PROJECT

This month, the SHINE Project brought participants together for a meaningful program on women's empowerment. In a safe and encouraging environment, women learned, shared experiences, and discussed challenges affecting their lives and communities.

Through group discussions and activities, participants built stronger relationships, encouraged one another, and fostered a spirit of mutual support.

The program strengthened their confidence, leadership skills, and awareness of their value, empowering them to become positive influences in their families and communities.

CHILDREN'S MINISTRY

The donation of the TV set is truly a great help for the Sunday School ministry. It enhances the teaching and learning experience by allowing us to present Bible stories, songs and lessons in a more engaging and interactive way. This gift also helps the children understand God's Word more clearly and enjoy their learning time together. We are very grateful for this support, as it strengthens our ministry and blesses the children in many meaningful ways. For a TV set it costs \$450.

How to Support: An annual tuition for most of the universities in Phnom Penh is about \$600.
